How to reach us:

- from Metro Kievskaya, take any trolleybus for 7-20 minutes to the stop named “Patent Agency”.
- Then cross the road via the metal staircase, and go left, following the front of the Patent Agency building (Street number – 24). At the end of the building turn right, then walk directly ahead until you reach the yellow 4-storey brick-built building with a brown annexe section (via the car park). Go to the end of the brown annexe, then turn left – you come into an interior courtyard. Go to the central doors, and there is a signboard marked “IFK Liral”.
